

Ministry of Health Care
of the Russian Federation
Deputy Minister

To the heads of health authorities of the subjects of the Russian Federation
To the heads of subordinate research and educational organizations

The Ministry of Health Care of the Russian Federation informs that the Russian Health Care Week'2013 Forum will take place at Expocentre Fairgrounds in Moscow on December 9-10, 2013. The key event of the Forum is the 3rd International Forum on Non-Communicable Disease Prevention and Health Promotion 'For Healthy Life' (hereinafter referred to as Forum).

The event is organized by the State Duma of the Federal Assembly of the Russian Federation under the auspices of Council of Federation of the Federal Assembly of the Russian Federation, World Health Organization, Ministry of Health Care of the Russian Federation, Ministry of Industry and Trade of the Russian Federation, Russian Academy of Medical Sciences, Chamber of Commerce and Industry of the Russian Federation, and Moscow City Government.

The main objective of the Forum is development of cooperation and interaction between government and local authorities, non-governmental companies and good corporate citizens in realization of the national policy on health maintenance and promotion, creation of the global preventive environment and health promotion for the people of the Russian Federation.

Plenary meeting, workshops and exposition are planned in the frame of the Forum.

Additional information about the Forum and the programme of accompanying events are posted on www.health-expo.ru/ru/program, www.for-healthy-life.ru (section Forums).

Taking into account that one of health care principles is a priority of prevention and health promotion, the Russian Ministry of Health Care recommends heads of health authorities of the subjects of the Russian Federation and heads of subordinate research and educational organizations to assign their specialists to the Forum.
