

## Welcome Message to the participants of the Russian Health Care Week 2022

**D**ear colleagues, dear friends,

On behalf of the members of the National Association of Experts in Spa Treatment and myself, I would like to welcome you at the 5th anniversary edition of MedTravelExpo 2022. Medical Clinics, Health and Spa Resorts held at EXPOCENTRE Fairgrounds within Russian Health Care Week 2022.

The year 2022 was indeed a record year for the Russian health resort organisations, despite various external factors, so our task now is to consolidate and multiply positive experience, to develop innovative technologies for health resort treatment and medical rehabilitation for the country's population and their practical application in various constituent entities of the Russian Federation.

It is gratifying that this year's Russian Health Care Week, which we have actively supported for many years, will rightfully be the final event, summing up the first year of the Decade of Science and Technology in Medicine.

Therefore, at the 4th Congress on Health Resort Industry. Science. Results, organised by the Federal Medical Research Centre for Rehabilitation and Balneology of the Russian Ministry of Health Care and the National Association of Experts in Spa Treatment, will focus primarily on the latest developments in balneology and their practical application in rehabilitation and preservation of the population.

Our common task today is to ensure that health and spa resort treatment is properly popularised among the population, to explain to our citizens the accessibility and effectiveness of receiving qualified services from our health and spa resorts.

MedTravelExpo 2022 is the largest industry exhibition with Russian and international recognition of the professional audience. I am sure that the event will traditionally become an important occasion for the heads of leading Russian and foreign medical and spa institutions to meet in Moscow, a platform for discussing the accumulated experience and working out promising solutions for further development.

I wish all the exhibitors and visitors to the Week and the exhibition effective work, further creative and professional success, good health and wellbeing!
